Advanced PDF Features Test

Multi-page Support

This document demonstrates the advanced features of the SimPDF library.

- Multi-page document support
- Custom page breaks
- Headers and footers
- Page numbering
- Advanced CSS styling
- Table pagination
- Watermarks
- Bookmarks

Important Notice

This is a test document to verify all SimPDF features are working correctly.

Table with Pagination

The following table demonstrates table pagination capabilities:

ID	Name	Email	Department	Status
1	Employee 1	employee1@company.com	Department 2	Inactive
2	Employee 2	employee2@company.com	Department 3	Inactive
3	Employee 3	employee3@company.com	Department 4	Inactive
4	Employee 4	employee4@company.com	Department 5	Active

6	Employee 6	employee6@company.com	Department 2	Active
7	Employee 7	employee7@company.com	Department 3	Active
8	Employee 8	employee8@company.com	Department 4	Inactive
9	Employee 9	employee9@company.com	Department 5	Active
10	Employee 10	employee10@company.com	Department 1	Inactive
11	Employee 11	employee11@company.com	Department 2	Inactive
12	Employee 12	employee12@company.com	Department 3	Active
13	Employee 13	employee13@company.com	Department 4	Active
14	Employee 14	employee14@company.com	Department 5	Active
15	Employee 15	employee15@company.com	Department 1	Active
16	Employee 16	employee16@company.com	Department 2	Inactive
17	Employee 17	employee17@company.com	Department 3	Inactive
18	Employee 18	employee18@company.com	Department 4	Inactive
19	Employee 19	employee19@company.com	Department 5	Active
20	Employee 20	employee20@company.com	Department 1	Inactive
21	Employee 21	employee21@company.com	Department 2	Active
22	Employee 22	employee22@company.com	Department 3	Inactive
23	Employee 23	employee23@company.com	Department 4	Inactive
24	Employee 24	employee24@company.com	Department 5	Inactive
25	Employee 25	employee25@company.com	Department 1	Active
26	Employee 26	employee26@company.com	Department 2	Active
27	Employee 27	employee27@company.com	Department 3	Inactive

29	Employee 29	employee29@company.com	Department 5	Active
30	Employee 30	employee30@company.com	Department 1	Inactive
31	Employee 31	employee31@company.com	Department 2	Active
32	Employee 32	employee32@company.com	Department 3	Inactive
33	Employee 33	employee33@company.com	Department 4	Active
34	Employee 34	employee34@company.com	Department 5	Inactive
35	Employee 35	employee35@company.com	Department 1	Inactive
36	Employee 36	employee36@company.com	Department 2	Active
37	Employee 37	employee37@company.com	Department 3	Active
38	Employee 38	employee38@company.com	Department 4	Active
39	Employee 39	employee39@company.com	Department 5	Inactive
40	Employee 40	employee40@company.com	Department 1	Active
41	Employee 41	employee41@company.com	Department 2	Active
42	Employee 42	employee42@company.com	Department 3	Inactive
43	Employee 43	employee43@company.com	Department 4	Inactive
44	Employee 44	employee44@company.com	Department 5	Inactive
45	Employee 45	employee45@company.com	Department 1	Inactive
46	Employee 46	employee46@company.com	Department 2	Active
47	Employee 47	employee47@company.com	Department 3	Active
48	Employee 48	employee48@company.com	Department 4	Active
49	Employee 49	employee49@company.com	Department 5	Active
50	Employee 50	employee50@company.com	Department 1	Active

CSS Features

This page demonstrates advanced CSS features:

- Custom fonts and typography
- Color schemes and gradients
- Borders and shadows
- Positioning and layout
- Page break controls

Styling Test

This highlighted section tests background colors and borders.

Performance Test

This document contains multiple pages and complex styling to test performance.

Test Summary

If you can see this PDF with all the features working, the SimPDF library is functioning correctly!

Feature	Status	Notes
Multi-page	☐ Working	Supports multiple pages with breaks
Headers/Footers	☐ Working	Fixed positioning works
Page Numbers	☐ Working	Automatic numbering
Table Pagination	☐ Working	Tables break properly
CSS Styling	☐ Working	Full CSS support
Watermarks	☐ Working	Background watermarks

Test Completed Successfully!
